LOCAL NEWS. MONDAY EVENING, MARCH 16.

The Lady Managers of the FEMALE OR-PHAN ASYLUM are about to commence their annual collections for the benefit of that institution, and to maintain the FEMALE FREE School connected therewith; and as no annual meeting has this year been held, it is earnestly hoped that a liberal response will be made by our people to their appeal. These most useful institutions have been for nearly forty years sustained entirely by the voluntary contributions of the citizens, and we are sure will not fail to receive again a generous support. We trust that the people of Alexandria will feel it to be a pleasure as well as a duty, to keep up, successfully, the excellent institutions and noble charities to which we thus call their attention.

SOCIETY OF ST. VINCENT OF PAUL. -The regular meeting of the new Conference of St. Mary, of this society, was attended, yesterday, by John Carroll Brent, Esq., President of the Particular Council of Washington; John F. Callan, Esq., President of the Conference of St. Patrick, and others from that city, by whom the new brethren were addressd upon the manner of performing the work which the society undertakes, the spiritual and temporal assistance of the poor.

In the course of his remarks Mr. Brent stated that the society though it had originated with six men, in 1833, now numbered more than fifty thousand, and had its conferences not only in every country of America and Europe, but also in the far: off regions of China, India, Africa and Australia.

O. & A. R. R.-The editor of the Page Courier, Luray county, Va., has recently taken a ride on the railroad, and says:

"Next morning the Orange and Alexandria train bore us pleasantly on towards Richmond, and many were the regrets expressed when we changed cars at Gordonsville, the great renabove mentioned is the best in the State. The trips. condition of the cars, the road itself and the conduct of the executive officers, render it without a rival, in the railroad line, in this section of country. The central train which we took at Gordonsville for Richmond impressed us differently. The cars, road and all connectwith them, made us deeply regret the change from the Orange cars to this.'
